

# JANUARY NEWS

" A warm smile is the  
universal language of kindness."  
- W.A. Ward

As a school, we were all cheering for our New York Jets, and thank you to them for the great run and thrill. The children had fun chanting for the team each day over the P.A. System. That's what it's all about. Did you notice Monsignor in his Jets shirt?!

Thank you to parents, Jose Gonzalez and Zbigniew Rakowski, for building stage decorations in the school Cafeteria. Nice!

We wish to acknowledge the participation and wonderful fund raising involvement of the N/Pre-K parents! Appreciation!

It was a really fun family evening on Saturday-Bingo. Thank you to all who made it a success. Catholic School Parents must be actively involved in the future viability of our Diocesan Schools.

All the Lord's Blessings to Rev. Fr. Andrew Kim as he moves on to future callings. Ms. M.A. Becker and I attended his farewell Mass and reception.

Not on the Catholic Schools Week Agenda ,but part of our celebration:

Grades 1, 2, 3- International Day-2/2/10- 1:00P.M.- Cafeteria

Grade 7, 8- Math Bee- 2/1/10- 1:15P.M. - Cafeteria

We pray for the people of Haiti each day, and for our School Families who have relatives and friends in Haiti-some of the news has been tragic for them. Our Mother Teresa Altruistic Society led a fund raising drive, and we shall be sending, \$1,191, to the American Red Cross. We are doing our part.

St. Robert Bellarmine- A School of Faith, Dedication, Enthusiasm & Academic Excellence.

Your Principal,

Angela M. Fazio

January 1st. Mary, Mother of God
